

Kathink Prohibited Requests Policy

This Kathink Prohibited Requests Policy applies to the services available from the domain and sub-domains of <http://www.kathink.co.uk>, <http://www.kathink.ch>, <http://www.kathink.eu>, <http://www.kathink.com> and from all other Kathink branded websites provided for legal persons who wish to register on Kathink as Corporates or Business Thinkers (together, the "Site").

The terms of this Policy are deemed to be included in full in the User Agreement that you have entered into with Kathink Ltd, of Pilatusstrasse 35, 6002, Lucerne, Switzerland.

Kathink will not permit the Site to be used by Corporates to submit Requests which (i) seek to obtain information which is against the public interest; or (ii) which is information which is restricted by government regulation; or (ii) which on its face suggests that the Corporate wants to use the information to commit or engage in an illegal or criminal act.

Kathink will decide in its sole discretion whether a Request offends this Policy and the Request will immediately be taken down and removed from the Site and no Proposals or Commissioned Responses will be transmitted by the Site to the Corporate who submitted the offending Request. No debate will be entered into by Kathink with the Corporate who submitted the offending Request as to whether or not the Request offended this Policy. Kathink expressly notifies Corporates that in the event that it removes a Request for a violation of this Policy, it reserves the right to report the Corporate with all details available to Kathink of the offending Request and any communications on or off the Site relating to the Request, including any Proposals or Commissioned Responses submitted, to the appropriate legal, criminal or regulatory authorities of any relevant country(ies) without any notice to the Corporate concerned. Kathink also reserves the right to suspend or cancel the offending Request process; to suspend or cancel the registration of the Corporate concerned and suspend or cancel his access to Site services; and to amend the Corporate's feedback data on the Site appropriately.

Specifically Requests for the following information on the Site from Business Thinkers offends this Policy:

- information on the making or creation of weapons, bombs, poisons or other military equipment or apparatus;
- information on the making or creation of any kind of prohibited or restricted drug;
- information or content which relates in any way to racial hatred, racial violence or racial intolerance;
- information or content which relates in any way to sexual abuse of members or third parties or minors.

All Corporates confirm their understanding and agreement that they waive all claims for damages or compensation from Kathink Ltd for any losses or liability that they may incur as a result of Kathink taking action under the terms of this Policy.
